Picket w/ Crown

3

Chain Link w/ Crown	4  The diagram shows two views of a chain-link fence with a crown. The top view is a straight section of the fence with a curved top. The bottom view is a perspective view of the same fence section. Both views show the chain-link mesh and the curved top rail. The text 'NAME' and 'ADDRESS' is visible on the top rail in both views.
Picket w/ Full Crown	5  The diagram shows two views of a picket fence with a full crown. The top view is a straight section of the fence with a curved top. The bottom view is a perspective view of the same fence section. Both views show the vertical pickets and the curved top rail.
Chain Link w/ Full Crown	6  The diagram shows two views of a chain-link fence with a full crown. The top view is a straight section of the fence with a curved top. The bottom view is a perspective view of the same fence section. Both views show the chain-link mesh and the curved top rail.
